OPTIONS

OPTION PACKS

£875

Convenience Pack	<p>Loadspace Partition Net Rear Seat Remote Release Levers Activity Key</p>	£440
On/Off Road Pack	<p>Terrain Response 2 All Terrain Progress Control Configurable Dynamics</p>	£435

EXTERIOR FEATURES

£205

Solar Attenuating Windscreen	<p>This windscreen filters sunlight to reduce heat and prevent UV rays from entering the cabin. Its laminated construction also buffers sound to keep Range Rover Velar quieter.</p>	£205
------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------

DRIVING AIDS

£620

All Terrain Progress Control	<p>All Terrain Progress Control (ATPC) ATPC is a low speed, cruise control feature for all road conditions operating between 2 km/h and 30 km/h. It is an autonomous system requiring no pedal inputs from the driver and is effective on all types of slippery surface including wet grass, snow, ice and dirt roads.</p>	£0
Configurable Dynamics	<p>The Configurable Dynamics system lets you select specific chassis and powertrain settings to suit your preferred driving style, with gearbox mapping, steering and suspension configurations. The Dynamic-i feature is also available, featuring a G-meter, stopwatch and pedal response indicator.</p>	£0
Surround Camera System	<p>Using four digital cameras discretely placed around the vehicle, this system provides a 360° overhead view on the Touchscreen. Along with the capacity to display several different views at the same time.</p> <p>The Tow Assist feature helps with reversing by predicting the trailer's direction. You can even choose your trailer's width for precise guidelines displayed on the Touchscreen.</p>	£620
Terrain Response 2	<p>Terrain Response 2 enhances the Terrain Response system even further by monitoring driving conditions and automatically selecting the driving modes to achieve the best possible chassis and powertrain set up for the conditions.</p>	£0

INTERIOR FEATURES

£1,330

Cabin Air Ionisation	This technology helps the well-being of both driver and passenger alike. It improves the air quality within the cabin, and can help reduce allergens, viruses, bacteria and odours. It does so by decomposing harmful substances, thus helping to cleanse the air in the cabin. It can be switched on or off.	£135
Chrome IP End Caps	-	£50
Configurable Ambient Interior Lighting	New levels of ambient refinement and personalisation have been reached with Configurable Ambient Interior Lighting. This feature allows you to vary the colour and shade, changing the ambience of the cabin to suit your mood. There are ten colours in total, ranging from Ice White through to Moonlight and Racing Red.	£205
Illuminated Metal Front and Metal Rear treadplates	Illuminated aluminium treadplates are available on driver and front passenger sides for an increased sense of individuality and distinction, featuring Range Rover script.	£235
Illuminated Metal Loadspace Scuff Plate	Elegantly styled rear loadspace scuff plate illuminated by soft white lighting when the door is opened. The scuff plate protects the loadspace edge from scratches when loading and unloading.	£235
Loadspace Partition Net	Separate the loadspace area from the rear seats with this safety partition net. Also available as a retailer fit accessory.	£0
Loadspace Storage Rails	Loadspace rails extend and adjust to secure items in the loadspace area. Also available as a retailer fit accessory.	£105
Premium Carpet Mats	800gsm Twistpile Ebony floor mats with metal Velar ingot protect the vehicle in exclusive style. They feature Ebony Suede effect PVC and single Ebony stitching.	£105
Rear Seat Remote Release Levers	Remote release of the rear seats via levers in the loadspace area makes folding the rear seats for additional loading capacity even easier.	£0
Bright Metal Pedals	Made from stainless steel and rubber, Bright Sport pedals give a contemporary, sporting appearance.	£260

CONVENIENCE AND INFOTAINMENT

£0

Activity Key	Makes living life to the full even easier. For extra convenience, you can wear the Activity Key if you prefer not to carry a key fob. The wristband is robust and fully waterproof. It allows you to enjoy a range of activities – from skydiving to	£0
--------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----

swimming – and keep your vehicle key with you. You can use the Activity Key while keys remain in the vehicle as the conventional key fob is deactivated for security.

ACCESSORIES

TOURING ACCESSORIES**£172**

Click and Go - Base

The Click and Go range is a multi-purpose seat-back system for second row passengers. The versatile Click and Go Base fixes between the headrest mountings and further attachments can be added to hold tablets, bags and shirts or jackets. Each attachment is sold separately. The base can be easily removed when not in use.

£43

Required for fitment of Click and Go attachments. Not applicable with rear seat entertainment.

Part number: VPLRS0388

Click and hang

The Click and Hang is part of the Click and Go range. This removable coat hanger allows shirts or jackets to be kept crease-free whilst transporting. Also includes an integral hook for use outside the vehicle.

£64

Click and Go base required for fitment. Not applicable with rear seat entertainment.

Part number: VPLRS0390

Loadspace Side Net

Keep smaller items safely stowed away – but easy to find - with a loadspace side net.

£65

Not compatible with loadspace luxury carpet mat, loadspace rubber mat, loadspace liner tray or vehicles fitted with full size spare wheel.

Part number: VPLYS0418

DESIGN ACCESSORIES**£542**

Illuminated Metal Front Treadplates

Sill treadplates featuring illuminated Range Rover script.

£382

Available as a front pair only.

Part number: VPLYS0457

Black Land Rover Centre Caps

Enhances and adds style to alloy wheels. Features Land Rover logo.

£160

Part number: LR069900

Price is for set of four caps.

OTHER ACCESSORIES**£185**

ACCESSORIES

14

Fire Extinguisher

Dry powder fire extinguisher (1kg), supplied with mounting bracket.

£185

Part number: VPLCS0348

Legislative requirement to carry in vehicle in certain countries.

TOTAL £899

Prices are subject to change; includes Retailer installation charges and taxes. Please consult your local authorised Retailer for details.

Prices shown are effective from 1st April 2020. The information, specification and colours on this website may vary from market to market and are subject to change without notice. Some vehicles are shown with optional equipment that may not be available in all markets. Please contact your local retailer for local availability and prices. Fuel consumption figures: the results given here do not express or imply any guarantee of the fuel consumption of any particular vehicle with which this information may be supplied. Vehicles are not individually tested and there are inevitable differences between individual vehicles of the same model. The vehicle may also incorporate particular modifications. Vehicle is subject to availability and may vary from image shown. Vehicle price shown includes VAT, Road Fund Licence and First Registration Fee, actual price will be set by the Retailer. Promotions are available for a limited time at participating Retailers only, please contact your local Retailer to confirm vehicle availability, current prices and promotions.

‡ Figures provided are WLTP. WLTP is the new official EU test used to calculate standardised fuel consumption and CO₂ figures for passenger cars. It measures fuel, energy consumption, range and emissions. This is designed to provide figures closer to real-world driving behaviour. It tests vehicles with optional equipment and with a more demanding test procedure and driving profile.

Please note that the online valuation figures presented to you at this stage are calculated and provided by a third party and are not provided or validated by Jaguar Land Rover UK or Jaguar Land Rover UK franchise retailers. Valuations are guides only and we do not warrant that you will be able to sell, or buy a vehicle for the Valuation received. The actual sale or purchase price is dependent on a number of additional factors, including colour and condition of the vehicle, supply of similar cars within the open market, promotions on offer and location. You agree that you may therefore achieve a sale or purchase of a used vehicle at a level higher or lower than the Valuation following a full inspection. Valuations are provided on the basis of a single transaction between a domestic vehicle user buying or selling a vehicle in a private non-commercial capacity (typically known as an Average Private Sale price). Valuations are based on the information provided by you and accordingly you must provide complete and accurate information for a Valuation. The Valuations are based on assumptions for vehicles in a condition taking into account their age and normal usage, and are not adjusted to allow for any remedial work that has been undertaken to restore vehicles to an unusually high standard such as "concourse" show condition. This applies especially to vehicles that could be considered as "classic" models, or those that are collected by enthusiasts. The guide prices shown above are split into three categories with a brief description of each. Any Valuation given through this website is a valuation based upon what you tell us about the vehicle and not a price at which we are willing to buy the vehicle. Validation on any guide price shown will be received following an on-site inspection / full appraisal by a Jaguar Land Rover UK franchise retailer. For the avoidance of doubt, this Online Valuation is not a contractual offer to buy your vehicle. On-site Inspection / Full Appraisal: We appreciate that not all customers are experts in assessing the condition of their vehicle. Therefore, in order to confirm the valuation, we will need to see your vehicle at an official Jaguar or Land Rover UK retailer where we always carry out an on-site inspection / Appraisal of a vehicle where it will be fully and fairly appraised, including a road test before we can confirm the Online Valuation or offer to buy your vehicle. If we consider that its value is affected by any aspect of its history or condition, including any unusual feature or customisation, which was not apparent to us when the guide Online Valuation was provided, the price that we offer for it will differ from the Online Valuation.

**Dry: Volume as measured with VDA-compliant solid blocks (200mm x 50mm x 100mm).

**Wet: Volume as measured by simulating the loadspace filled with liquid.

Important note on imagery & specification

The global shortage of semiconductors is currently affecting vehicle build specifications, option availability, and build timings. This is a very dynamic situation, and as a result imagery used within the website at present may not fully reflect current specifications for features, options, trim and colour schemes.

Please consult your Retailer who will be able to confirm any current restrictions with you in order to allow an informed choice.

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually, and we reserve the right to change without notice. Some features may vary between optional and standard for different model years.

**Estimated lead time for deliveries. The information is our best advice at the time of publishing and is subject to change. Please contact your Retailer for the latest information.
