Advanced Emergency Brake Assist

Brake Pad Wear Indicator

TECHNICAL SPECIFICATIONS

VEHICLE LENGTHS

Overall length (mm)	4,803
Wheelbase (mm)	2,874
Length behind first row (mm)	1,795
Length behind second row (mm)	1,035

VEHICLE HEIGHT & WIDTHS

Width with mirrors folded (mm)	2,032
Width with mirrors out (mm)	2,145
Front wheel track (Coil/Air Suspension) (mm)	1,640/ 1,644
Rear wheel track (Coil/Air Suspension) (mm)	1,657/ 1,663
Height (mm)	1,665

STANDARD RIDE HEIGHT

With roof rails (mm)	1,657
With roof antenna (mm)	1,685
With panoramic roof open (mm)	1,705
Access height air suspension setting will reduce each of the above by (mm)	-40

HEADROOM

Maximum front headroom with panoramic roof (mm)	970
Rear headroom (mm)	966

LEGROOM

Maximum front legroom (mm)	1,024
Maximum rear legroom (mm)	945

LOADSPACE CAPACITY - REAR SEAT UPRIGHT

Height (mm)	1,045
Width (mm)	1,247
Loadspace volume (litres)	558
Loadspace width between arches (mm)	1,050
Length at floor (mm)	1,035

LOADSPACE CAPACITY - REAR SEATS FORWARD

Height (mm)	1,045
Width (mm)	1,247
Loadspace volume (litres)	1,616

LOADSPACE CAPACITY - REAR SEATS FORWARD

Loadspace width between arches (mm)	1,050
Length at floor (mm)	1,795

OFF-ROAD OBSTACLE CLEARANCE

Off-road height (mm)	251
Approach Angle (Electronic Air Suspension)	24.3°
Ramp Angle (Electronic Air Suspension)	21.1°
Departure Angle (Electronic Air Suspension)	26.5°

STANDARD OBSTACLE CLEARANCE

Standard ride height (mm)	213
Approach Angle (Coil Suspension)	23.3°
Ramp Angle (Coil Suspension)	19.0°
Departure Angle (Coil Suspension)	25.3°

TURNING CIRCLE

Kerb-to-kerb (m)	11.6
Wall-to-wall (m)	12
Turns lock-to-lock	2.52

WADING DEPTH

Electronic Air Suspension (maximum) (mm)	650
Coil Suspension (maximum) (mm)	600

POWER (HP)

ENGINE DATA

Bore (mm)	84
Stroke (mm)	90
Compression ratio (:1)	16.1:1

BRAKES

Front type	Single Piston Sliding Caliper, Ventilated Disc
Front diameter (mm)	350
Rear type	Single Piston Sliding Caliper, Ventilated Disc
Rear diameter (mm)	325
Park Brake	Motor on Caliper

WEIGHTS

Weight from (KG)	1,959
------------------	-------

WEIGHTS

Gross Vehicle weight (KG)	2,610
Maximum mass on front axle (KG)	1,270
Maximum mass on rear axle (KG)	1,470

TOWING

Unbraked trailer (KG)	750
Maximum towing (KG)	2,500
Maximum coupling point/nose weight (KG)	175
Maximum vehicle and trailer combination/ Gross Train Weight (KG)	5,110

ROOF CARRYING

Maximum roof load (including Roof Rails) (KG)	79
--	----

PERFORMANCE

Maximum speed (mph)	150 *137mph with 18" wheels
Acceleration 0-60mph (seconds)	6.1
Fuel tank capacity (litres approx.)	66
CO ₂ Combined emissions (g/km)	167

Pricing

Base Cost	£68,440
Configured Options	£0
Final Price	£68,440*

Prices shown are effective from 1st April 2020. The information, specification and colours on this website may vary from market to market and are subject to change without notice. Some vehicles are shown with optional equipment that may not be available in all markets. Please contact your local retailer for local availability and prices. Fuel consumption figures: the results given here do not express or imply any guarantee of the fuel consumption of any particular vehicle with which this information may be supplied. Vehicles are not individually tested and there are inevitable differences between individual vehicles of the same model. The vehicle may also incorporate particular modifications. Vehicle is subject to availability and may vary from image shown. Vehicle price shown includes VAT, Road Fund Licence and First Registration Fee, actual price will be set by the Retailer. Promotions are available for a limited time at participating Retailers only, please contact your local Retailer to confirm vehicle availability, current prices and promotions.

‡ Figures provided are WLTP. WLTP is the new official EU test used to calculate standardised fuel consumption and CO₂ figures for passenger cars. It measures fuel, energy consumption, range and emissions. This is designed to provide figures closer to real-world driving behaviour. It tests vehicles with optional equipment and with a more demanding test procedure and driving profile.

Please note that the online valuation figures presented to you at this stage are calculated and provided by a third party and are not provided or validated by Jaguar Land Rover UK or Jaguar Land Rover UK franchise retailers. Valuations are guides only and we do not warrant that you will be able to sell, or buy a vehicle for the Valuation received. The actual sale or purchase price is dependent on a number of additional factors, including colour and condition of the vehicle, supply of similar cars within the open market, promotions on offer and location. You agree that you may therefore achieve a sale or purchase of a used vehicle at a level higher or lower than the Valuation following a full inspection. Valuations are provided on the basis of a single transaction between a domestic vehicle user buying or selling a vehicle in a private non-commercial capacity (typically known as an Average Private Sale price). Valuations are based on the information provided by you and accordingly you must provide complete and accurate information for a Valuation. The Valuations are based on assumptions for vehicles in a condition taking into account their age and normal usage, and are not adjusted to allow for any remedial work that has been undertaken to restore vehicles to an unusually high standard such as "concourse" show condition. This applies especially to vehicles that could be considered as "classic" models, or those that are collected by enthusiasts. The guide prices shown above are split into three categories with a brief description of each. Any Valuation given through this website is a valuation based upon what you tell us about the vehicle and not a price at which we are willing to buy the vehicle. Validation on any guide price shown will be received following an on-site inspection / full appraisal by a Jaguar Land Rover UK franchise retailer. For the avoidance of doubt, this Online Valuation is not a contractual offer to buy your vehicle. On-site Inspection / Full Appraisal: We appreciate that not all customers are experts in assessing the condition of their vehicle. Therefore, in order to confirm the valuation, we will need to see your vehicle at an official Jaguar or Land Rover UK retailer where we always carry out an on-site inspection / Appraisal of a vehicle where it will be fully and fairly appraised, including a road test before we can confirm the Online Valuation or offer to buy your vehicle. If we consider that its value is affected by any aspect of its history or condition, including any unusual feature or customisation, which was not apparent to us when the guide Online Valuation was provided, the price that we offer for it will differ from the Online Valuation.

**Dry: Volume as measured with VDA-compliant solid blocks (200mm x 50mm x 100mm).

**Wet: Volume as measured by simulating the loadspace filled with liquid.

Important note on imagery & specification

The global shortage of semiconductors is currently affecting vehicle build specifications, option availability, and build timings. This is a very dynamic situation, and as a result imagery used within the website at present may not fully reflect current specifications for features, options, trim and colour schemes.

Please consult your Retailer who will be able to confirm any current restrictions with you in order to allow an informed choice.

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually, and we reserve the right to change without notice. Some features may vary between optional and standard for different model years.

**Estimated lead time for deliveries. The information is our best advice at the time of publishing and is subject to change. Please contact your Retailer for the latest information.
