EXTERIOR FEATURES

Powered Gesture Tailgate / Boot Lid

Gesture tailgate uses proximity sensors located on either side of Range Rover Velar to allow the hands-free operation of the tailgate from the kerb. The tailgate can also be opened and closed via a button on the key fob and includes soft closing.

ACCESSORIES

LOADSPACE ACCESSORIES

Loadspace Side Net

Keep smaller items safely stowed away – but easy to find - with a loadspace side net.

Not compatible with loadspace luxury carpet mat, loadspace rubber mat, loadspace liner tray or vehicles fitted with full size spare wheel.

Part number: VPLYS0418

INTERIOR ACCESSORIES

Wireless Phone Charging Cupholder

The wireless phone charging cupholder has been designed to allow visibility of the phone whilst charging, utilising the cup holder space in the centre console. The holder will accommodate varying phone sizes securely in place. The charger displays an LED light to indicate when charging, and turns off when complete. Fits phones up to 73mm wide such as iPhone 7 with Qi enabled case.

For use with Qi enabled wireless charging devices only. The wireless phone charging cupholder does not provide a connection to In-Control Apps.

Part number: VPLYV0124, VPLYV0125

Premium Leather Seat Back Stowage

Manufactured from the same premium leather offered on the vehicle, complemented with soft touch interior lining and magnetic button clasps. Provides convenient stowage solution for the rear of the front seats with multiple compartments for stowing small items.

Part number: VPLVS0182

Cloth Child Seat - Group I-II (15 - 36 kg)

For children 15kg - 36kg (approximately 4 - 12 years). Land Rover branded. Forward facing on rear seat. Padded machine washable cover. Height adjustable two-part seat ensures correct seat belt position. Improved side impact protection.

Compatible with ISOFIX mounting. Child seat includes ISOFIX system which anchors the seat directly to the vehicle's ISOFIX connection points.

Part number: VPLRS0399

Children are safer when correctly restrained in the rear of a vehicle.

Vehicles shown are from the Land Rover Global range. Specifications, options and availability will vary between markets and should be verified with your local Land Rover Retailer. The figures provided are official EU Test Figures. For comparison purposes only. Real world figures may differ.

†Dry: Volume as measured with VDA-compliant solid blocks (200mm x 50mm x 100mm).

††Wet: Volume as measured by simulating the loadspace filled with liquid.

‡The figures provided are NEDC2 calculated from official manufacturer's WLTP tests in accordance with EU legislation. For comparison purposes only. Real world figures may differ. CO₂ and fuel economy figures may vary according to wheel fitment and optional extras fitted. NEDC2 are figures calculated using a Government formula from WLTP figures equivalent to what they would have been under the old NEDC test. The correct tax treatment can then be applied.

‡‡WLTP is the new official EU test used to calculate standardised fuel consumption and CO₂ figures for passenger cars. It measures fuel, energy consumption, range and emissions. This is designed to provide figures closer to real-world driving behaviour. It tests vehicles with optional equipment and with a more demanding test procedure and driving profile. The figures shown refer to the most economical/lightest set of options.

Weights reflect vehicles to standard specifications. Optional extras increase weight.

Important note on imagery & specification. We are living through exceptional times. Due to the Covid pandemic we have been prevented or delayed in the creation of new images of current model years. Now the global impact of micro-chip shortages is further affecting build specifications, options and launch timings. Until this unique event settles, please note that **any images cannot be updated to 22/23/24 model year specifications**. Features, options, trim and colour schemes will differ from many images. Customers are urged to consult your local Retailer for detailed 22/23/24 model year specifications and do not base an order on marketing imagery and specification alone.

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually, and we reserve the right to change without notice. Some features may vary between optional and standard for different model years. The information, specification, engines and colours on this website are based on European specification and may vary from market to market and are subject to change without notice. Some vehicles are shown with optional equipment and retailer-fit accessories that may not be available in all markets. Please contact your local retailer for local availability and prices.
