## OPTION PACKS

Climate Pack	Four-zone Climate Control Cabin Air Ionisation Lockable Cooled Glovebox
Convenience Pack	Loadspace Partition Net Rear Seat Remote Release Levers Activity Key
On/Off Road Pack	Terrain Response 2 All Terrain Progress Control Configurable Dynamics

## EXTERIOR FEATURES

Heated Windscreen	Offers a quick and convenient way to defrost or demist the windscreen. Heated washer jets prevent washer fluid from freezing so you can easily keep your windscreen clean in cold conditions.
-------------------	---

## DRIVING AIDS

All Terrain Progress Control	All Terrain Progress Control (ATPC) ATPC is a low speed, cruise control feature for all road conditions operating between 2 km/h and 30 km/h. It is an autonomous system requiring no pedal inputs from the driver and is effective on all types of slippery surface including wet grass, snow, ice and dirt roads.
Configurable Dynamics	The Configurable Dynamics system lets you select specific chassis and powertrain settings to suit your preferred driving style, with gearbox mapping, steering and suspension configurations. The Dynamic-i feature is also available, featuring a G-meter, stopwatch and pedal response indicator.
Surround Camera System	Using four digital cameras discretely placed around the vehicle, this system provides a 360° overhead view on the Touchscreen. Along with the capacity to display several different views at the same time.

The Tow Assist feature helps with reversing by predicting the trailer's direction. You can even choose your trailer's width for precise guidelines displayed on the Touchscreen.

---

## Terrain Response 2

Terrain Response 2 enhances the Terrain Response system even further by monitoring driving conditions and automatically selecting the driving modes to achieve the best possible chassis and powertrain set up for the conditions.

---

## Active Rear Locking Differential

The Active Locking Rear Differential offers an additional benefit both on and off-road through the introduction of an additional multiplate wet clutch on the rear axle which provides the maximum traction possible when grip levels vary across the vehicle. This improves stability when driving on slippery surfaces such as patchy ice or wet grass, when traversing undulations off-road, and in normal conditions when exiting out of corners.

---

## INTERIOR FEATURES

---

### Cabin Air Ionisation

This technology helps the well-being of both driver and passenger alike. It improves the air quality within the cabin, and can help reduce allergens, viruses, bacteria and odours. It does so by decomposing harmful substances, thus helping to cleanse the air in the cabin. It can be switched on or off.

---

### Carpet Mats

510gsm Tufted Ebony floor mats with stitched Range Rover Velar badge further enhance the vehicle's interior. They feature Ebony Suede effect binding and single Ebony stitching.

---

### Chrome IP End Caps

-

---

### Configurable Ambient Interior Lighting

New levels of ambient refinement and personalisation have been reached with Configurable Ambient Interior Lighting. This feature allows you to vary the colour and shade, changing the ambience of the cabin to suit your mood. There are ten colours in total, ranging from Ice White through to Moonlight and Racing Red.

---

### Four-zone Climate Control

Automatic Four-zone Climate Control which can be optimised for each individual occupant. Includes additional vents in the B-pillar.

---

### Illuminated Metal Front and Metal Rear treadplates

Illuminated aluminium treadplates are available on driver and front passenger sides for an increased sense of individuality and distinction, featuring Range Rover script.

---

### Illuminated Metal Loadspace Scuff Plate

Elegantly styled rear loadspace scuff plate illuminated by soft white lighting when the door is opened. The scuff plate protects the loadspace edge from scratches when loading and unloading.

---

### Loadspace Partition Net

Separate the loadspace area from the rear seats with this safety partition net. Also available as a retailer fit accessory.

---

Loadspace Storage Rails	Loadspace rails extend and adjust to secure items in the loadspace area.  Also available as a retailer fit accessory.
Lockable Cooled Glovebox	Cooled glovebox gives the option to vent the cooled air from the air conditioning system entering to cabin into the glovebox.
Rear Seat Remote Release Levers	Remote release of the rear seats via levers in the loadspace area makes folding the rear seats for additional loading capacity even easier.
Timed Climate with Remote	Practical and comfortable, this feature can pre-heat or ventilate the vehicle via remote control and has an integrated 7-day timer. Whether it's for daily use or a single event up to 16 days ahead, the ideal cabin temperature can be achieved in advance.
Bright Metal Pedals	Made from stainless steel and rubber, Bright Sport pedals give a contemporary, sporting appearance.

## CONVENIENCE AND INFOTAINMENT

Activity Key	Makes living life to the full even easier. For extra convenience, you can wear the Activity Key if you prefer not to carry a key fob. The wristband is robust and fully waterproof. It allows you to enjoy a range of activities – from skydiving to swimming – and keep your vehicle key with you. You can use the Activity Key while keys remain in the vehicle as the conventional key fob is deactivated for security.
Garage Door Opener (HomeLink®)	The HomeLink® System is a universal transmitter fitted to the underside of the interior rear view mirror. This transmitter can be programmed to operate up to 3 home or office wireless controlled systems, such as garage doors, automatic gates, or security lighting. By replacing the individual remote control units normally required for each system, the driver no longer needs to search the car interior for the correct handset when needed.  HomeLink® is a registered trademark of Johnson Controls, Inc.
Power Socket Pack 3	Additional 1x 12v power socket in 1st row
Secure Tracker	Secure Tracker uses tracking technology to alert you to an attempted theft, and signals your vehicle's location to the relevant authorities, for a timely recovery.  As we roll out InControl, specific features described may be optional and market or powertrain dependent. Please consult your local Land Rover retailer for availability and full terms in your country. Certain features require an appropriate SIM with a suitable data

contract, which will require a further subscription after the initial term advised by your retailer. Mobile connectivity cannot be guaranteed in all locations.

## TOWING

Electrically Deployable Tow Bar	<p>The electrically deployable tow bar is stowed discreetly behind the bumper, providing a clean and attractive finish. Approved for up to 2,500kg trailer load.</p> <p>*Towing weight may vary per market. Please contact your nearest Land Rover Retailer for more information.</p>
Fixed Rear Recovery Eye	-
Advanced Tow Assist	<p>Advanced Tow Assist automatically steers the vehicle to control the position of a trailer when reversing into the desired position as set by the driver using the InControl Touch Pro Duo controls. The Touchscreen will display both the current and desired trailer trajectory.</p>

# ACCESSORIES

## LOADSPACE ACCESSORIES

---

### Load Retention Net

Secure small items and luggage within loadspace. Utilises loadspace tie-down points. Includes floor net and two ratchet straps which are approximately two metres long.

Part number: VPLYS0269

---

### Full Height Luggage Partition

Designed to prevent luggage from entering the passenger compartment. The design of the luggage partition has been optimised to second row seating featuring tilt functionality. Complies with ECE-17 regulation.

Not compatible with full size spare wheel.

Features a useful integral loadspace hatch which allows longer luggage or sports equipment to be carried where suitable rear seat option is fitted. Compatible with loadspace rubber mat, loadspace liner tray, loadspace rail system and parcel shelf.

Part number: VPLYS0454

---

## WHEEL ACCESSORIES

---

### Tyre Repair Kit

Alternative tyre repair solution can be fitted in place of spare wheel. Consists of sealant and air compressor to be used in emergency puncture situation.

Part number: T2H15008

---

### Gloss Black Finish Wheel Nut Kit

Set of 20 wheel nuts, especially suitable for use with Gloss Black finish alloy wheels.

Part number: VPLVW0070

---

### Black Land Rover Center Caps

Enhances and adds style to alloy wheels. Features Land Rover logo.

Part number: LR069900

Price is for set of four caps.

---

## INTERIOR ACCESSORIES

---

### Click and Go - Base

The Click and Go range is a multi-purpose seat-back system for second row passengers. The versatile Click and Go Base fixes between the headrest mountings and further attachments can be added to hold tablets, bags and shirts or jackets. Each attachment is sold separately. The base can be easily removed when not in use.

Required for fitment of Click and Go attachments. Not applicable with rear seat entertainment.

Part number: VPLRS0388

---

### Click and Work

The Click and Work is part of the Click and Go range. This folding table offers the rear passengers a practical surface from which to work, particularly useful on long journeys. It also has a cup holder and is height and angle adjustable for in-cabin comfort.

Click and Go base required for fitment. Not applicable with rear seat entertainment.

Part number: VPLRS0395

---

### Wireless Phone Charging Cupholder

The wireless phone charging cupholder has been designed to allow visibility of the phone whilst charging, utilising the cup holder space in the centre console. The holder will accommodate varying phone sizes securely in place. The charger displays an LED light to indicate when charging, and turns off when complete. Fits phones up to 73mm wide such as iPhone 7 with Qi enabled case.

For use with Qi enabled wireless charging devices only. The wireless phone charging cupholder does not provide a connection to In-Control Apps.

Part number: VPLYV0124, VPLYV0125

---

### WhiteFire® Headphones

Additional headphones for use with rear seat entertainment system.

Part number: LR068896

WhiteFire® is a registered trademark of Unwired Technology LLC and any use of such marks by Land Rover is under licence.

---

### Side Windows Sunshades (Second Row)

Easy to install or remove these sun blinds provide increased comfort helping to protect passengers from heat and glare of the sun.

For side windows, second row.

Part number: VPLYS0426

---

## Rear Tailgate Sunshades

Easy to install or remove these sun blinds provide increased comfort helping to protect the interior from heat and glare of the sun.

For rear tailgate.

Part number: VPLYS0425

---

## Personalised Door Treadplates - Illuminated (Front Doors)

Personalised illuminated treadplates allows you to choose a personalised message using an approved set of fonts/typefaces which will be highlighted in white illumination when the front doors are open.

Available as a front pair only.

Part number: VPLYS0458PVJ

---

## Aluminium Gearshift Paddles

Complete the look and feel of your steering wheel with premium aluminium paddles. Gearshift paddles are machine polished, anodised and hand brushed to provide exceptional wear resistance with a premium finish.

Part number: VPLVS0187MMU

---

## Centre Armrest Cooler/Warmer Box

Food and drinks chiller and warmer that acts as a rear centre armrest. With a leather-covered top, it is held in place by the centre seat belt and powered from the rear auxiliary socket. Ideal for long journeys with the family.

Part number: VPLVS0176

---

## Cloth Child Seat - Group I-II (15 - 36 kg)

For children 15kg - 36kg (approximately 4 - 12 years). Land Rover branded. Forward facing on rear seat. Padded machine washable cover. Height adjustable two-part seat ensures correct seat belt position. Improved side impact protection.

Compatible with ISOFIX mounting. Child seat includes ISOFIX system which anchors the seat directly to the vehicle's ISOFIX connection points.

Part number: VPLRS0399

Children are safer when correctly restrained in the rear of a vehicle.

---

## EXTERIOR ACCESSORIES

---

### Carbon Fibre Mirror Covers

Stunning high grade Carbon Fibre mirror covers, with a High Gloss finish, provide a performance-inspired premium styling update.

Supplied as a vehicle set.

Part number: VPLYB0355

## Carbon Fibre Side Vents

High-grade Carbon Fibre side power vents with a High Gloss finish provide a performance-inspired styling upgrade.

Supplied as a vehicle set.

Part number: VPLYB0355

## Deployable Side Steps Kit

These smart, practical steps make it easier to get in and out of the vehicle. Neatly stowed under the sills, the side steps automatically deploy as soon as the door is opened, or when activated by the key fob. They stow automatically when the door is closed. The side steps are sensitive to obstructions. Automatic mode can be overridden to allow access to the roof when the doors are closed. The deployable side steps are compatible with front mudflaps and feature a stainless steel finish with laser etched Range Rover branding.

Part numbers: YPLYP0325, YPLYP0323, YPLYP0324, VPLYT0218, VPLYV0122, VPLYP0339

## Carbon Fibre Rear Spoiler

Sleek and dynamic, the high-grade Carbon Fibre rear spoiler provides a performance-inspired styling enhancement to the Range Rover Velar's exterior design cues.

Part number: VPLYB0354

## All-Weather Car Cover

All-weather tailored cover protects your Range Rover Velar from the elements including showers, frost, snow and dust. Quick and easy to fit.

Part number: VPLYS0289

## Range Rover Lettering - Narvik Black

Replace the Silver Range Rover lettering and enhance the appearance of your Range Rover Velar with this alternative Narvik Black bonnet and tailgate lettering.

Part number: LR092814, LR092817, LR104329, LR104330

## SAFETY ACCESSORIES

### Battery Conditioner

Land Rover branded battery conditioner diagnoses, monitors and maintains the battery at optimum levels ensuring prolonged battery life and reliability.

Part number: VPLVV0078

---

Warning Triangle

Vital in emergencies. Stows in the loadspace compartment.

Part number: VPLVC0060

Legislative requirement to carry in vehicle in certain countries.

---

Fire Extinguisher

Dry powder fire extinguisher (1kg), supplied with mounting bracket.

Part number: VPLCS0348

Legislative requirement to carry in vehicle in certain countries.

---

Vehicles shown are from the Land Rover Global range. Specifications, options and availability will vary between markets and should be verified with your local Land Rover Retailer. The figures provided are official EU Test Figures. For comparison purposes only. Real world figures may differ.

†Dry: Volume as measured with VDA-compliant solid blocks (200mm x 50mm x 100mm).

††Wet: Volume as measured by simulating the loadspace filled with liquid.

‡The figures provided are NEDC2 calculated from official manufacturer's WLTP tests in accordance with EU legislation. For comparison purposes only. Real world figures may differ. CO<sub>2</sub> and fuel economy figures may vary according to wheel fitment and optional extras fitted. NEDC2 are figures calculated using a Government formula from WLTP figures equivalent to what they would have been under the old NEDC test. The correct tax treatment can then be applied.

‡‡WLTP is the new official EU test used to calculate standardised fuel consumption and CO<sub>2</sub> figures for passenger cars. It measures fuel, energy consumption, range and emissions. This is designed to provide figures closer to real-world driving behaviour. It tests vehicles with optional equipment and with a more demanding test procedure and driving profile. The figures shown refer to the most economical/lightest set of options.

Weights reflect vehicles to standard specifications. Optional extras increase weight.

**Important note on imagery & specification.** We are living through exceptional times. Due to the Covid pandemic we have been prevented or delayed in the creation of new images of current model years. Now the global impact of micro-chip shortages is further affecting build specifications, options and launch timings. Until this unique event settles, please note that **any images cannot be updated to 22/23/24 model year specifications.** Features, options, trim and colour schemes will differ from many images. Customers are urged to consult your local Retailer for detailed 22/23/24 model year specifications and do not base an order on marketing imagery and specification alone.

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually, and we reserve the right to change without notice. Some features may vary between optional and standard for different model years. The information, specification, engines and colours on this website are based on European specification and may vary from market to market and are subject to change without notice. Some vehicles are shown with optional equipment and retailer-fit accessories that may not be available in all markets. Please contact your local retailer for local availability and prices.
