CAPABILITY AND DYNAMICS

Electronic Active Differential with Torque Vectoring by Braking	-
---	---

EXTERIOR FEATURES

No badge	-
Solar attenuating windscreen	This windscreen filters sunlight to reduce heat and prevent UV rays from entering the cabin. Its laminated construction also buffers sound to keep Land Rover Defender quieter.

ACCESSORIES

EXTERIOR ACCESSORIES

Wheel Arch Protection	<p>Providing extended protection and enhancing the exterior style of the vehicle with a more rugged appearance, the wheel arch protection is manufactured from a high-quality, durable plastic with an Anthracite coloured finish. Easy to fit, they are ideal for protecting the wheel arches when driving off-road.</p> <p>Part number: VPLEP0379</p>
Raised Air Intake	<p>Ideal when driving in dusty or sandy conditions, the raised air intake helps protect the engine by taking in cleaner air from an elevated position, above the bonnet, and therefore reducing the amount of dust particles taken into the air filter. Manufactured from a high-quality, durable plastic with an Anthracite coloured finish, it secures to the vehicle's 'A' post and utilises the existing air intake vent fixings.</p> <p>Part number: VPLEP0435</p> <p>PLEASE NOTE: The raised air intake does not extend the vehicle's wading capability beyond the standard wading depth of 900mm.</p>
Front Classic Mudflaps	<p>Mudflaps are a popular upgrade that reduce spray and enhance the level of protection to the paintwork from debris and dirt. These larger, flexible, Land Rover branded, classic mudflaps complement the vehicle's exterior design and echo the heritage of Land Rover Defender.</p> <p>Part number: VPLEP0387</p> <p>Sold as a front set. Not compatible with front mudflaps.</p>
Rear Classic Mudflaps	<p>Mudflaps are a popular upgrade that reduce spray and enhance the level of protection to the paintwork from debris and dirt. These larger, flexible, Land Rover branded, classic mudflaps complement the vehicle's exterior design and echo the heritage of Land Rover Defender.</p> <p>Part number: VPLEP0388</p> <p>Sold as a rear set. Not compatible with rear mudflaps.</p>

INTERIOR ACCESSORIES

Loadspace Rubber Mat	<p>The loadspace synthetic rubber mat is a waterproof mat, tailored specifically to protect the rear loadspace from muddy or wet items. The mat is Land Rover branded, has a non-slip surface, retaining lip and is easily removed for cleaning. The mat also has a very useful bumper protector, which protects the bumper from scuffs and scratches while loading and unloading the vehicle. The liner can be stowed under the mat or detached when not in use.</p> <p>Part number: VPLES0566</p>
----------------------	---

Integrated Air Compressor

The integrated air compressor can be used to both inflate and deflate to pre-set defined pressures. Designed for adjusting tyre pressures as well as to inflate bicycle tyres with Schrader valves, air beds and other inflatable items such as the inflatable waterproof awning. Permanently integrated into the loadspace, and with an Eiger Grey finish it complements other loadspace trim features, with minimal impact on storage space. The hose is extendable to reach all tyres easily and comes in a highly visible, bright orange finish to minimise trip hazards in low light. The easy to use dial and digital display can be set to required pressure and includes three nozzles attachments to suit a variety of applications. The hose is self-coiling and is provided in a Land Rover branded, hard wearing 600D nylon black bag with a zipped opening and carry handle for convenient storage. It also has a carabiner for secure storage to a 'D' loop.

Part number: VPLES0574

Compressor specifications: Max pressure: >60psi (>4.1 bar) and Airflow: 28L / min @ 40psi and provides an extended run to enable pressure optimisation of all four tyres in one go. Engineered to operate in extreme environments.

*Accessories are retailer fit options, please contact your preferred Land Rover retailer to discuss fitment and pricing.

STANDARD FEATURES

CAPABILITY AND DYNAMICS

All Wheel Drive (AWD)	Twin-speed transfer box (high/low range)	Electronic Air Suspension
Adaptive Dynamics	Terrain Response	8-speed Automatic Transmission
Hill Launch Assist	Electric Power Assisted Steering (EPAS)	Dynamic Stability Control (DSC)
Low traction launch	Electronic Traction Control (ETC)	Roll Stability Control (RSC)
Cornering Brake Control (CBC)	Hill Descent Control (HDC)	Brake Hold

EXTERIOR FEATURES

Signature graphic (with interior storage)	S badge	P400 badge
Heated, electric, power fold door mirrors with approach lights and auto-dimming	Auto High Beam Assist (AHBA)	Automatic Headlight Levelling
LED tail lights	Electric Parking Brake (EPB)	Brake pad wear indicator
Emergency Brake Assist	Anti-lock Braking System (ABS)	Electronic Brake-force Distribution (EBD)
Electric windows with one-touch open/close and anti-trap	Heated rear window with timer	Rear wash wiper
Alpine lights	Puddle lights	Automatic headlights and rain sensing wipers
Rear fog lights	Follow me home lighting	Centre high-mounted stop light
Side-hinged tailgate	Black Exterior Pack	LED headlights
Gondwana Stone		

TYRES AND SPARE WHEELS

Full size spare wheel	Tyre Pressure Monitoring System (TPMS)	Locking wheel nuts
-----------------------	--	--------------------

INTERIOR FEATURES

Standard treadplates	Sunvisors with illuminated vanity mirrors	Cabin lighting
Two-zone Climate Control	Loadspace cover	Rear centre headrest
Durable rubber cabin flooring	Durable rubber loadspace flooring	Footwell lights
Rear reading lights	Twin front cupholders	Overhead stowage for sunglasses
Glovebox storage	Hooks in loadspace	Assisted tailgate
Centre console with armrest	Cross car beam in Light Grey Powder Coat Brushed finish	Standard leather steering wheel
Leather gearshift		

DRIVER ASSISTANCE

Emergency Braking	3D Surround Camera	Cruise Control and Speed Limiter
Driver Condition Monitor	Lane Keep Assist	360° Parking Aid
Traffic Sign Recognition and Adaptive Speed Limiter	Wade Sensing	

CONVENIENCE

Auto-dimming interior rear view mirror	Keyless Entry
--	---------------

INFOTAINMENT

Smartphone Pack	Digital Audio Broadcast (DAB) radio	Remote
Connected Navigation Pro	Online Pack	Click and Go integrated base unit
Interactive Driver Display	10" Touchscreen	12V power socket in loadspace
Trip computer	Power Socket Pack 1	Sound System

TOWING

Trailer Stability Assist (TSA)

SAFETY AND SECURITY

Rear ISOFIX	Perimetric alarm	Customer Configurable Autolock
Power operated child locks	Seat belt reminder	Push Button Start
Front airbags, with passenger seat occupant detector		

TECHNICAL SPECIFICATIONS

PERFORMANCE	
Maximum speed km/h	208 ▲
Acceleration (secs) 0-100 km/h	6.1
FUEL ECONOMY	
CO ₂ Emissions - (g/km)	TBC
Combined l/100km	TBC
Tank capacity (litres approx.)	90
POWERTRAIN	
Capacity (cc)	2,996
Maximum power (kW)	294
Maximum torque (Nm)	550

WEIGHTS	
Unladen weight (EU) (kg)	2,361 (5 seats) / 2,384 (6 seats) / 2,418 (5+2 seats)‡
Gross Vehicle Weight (GVW) (kg)	3,165 (5 & 6 seats) / 3,250 (5+2 seats)

TOWING	
Unbraked trailer (kg)	750
Maximum towing (kg)	3,500
Maximum coupling point (nose weight) (kg)	350‡‡
Maximum vehicle and trailer combination (GTW) (kg)	6,665 (5 & 6 seats) / 6,750 (5+2 seats)
ROOF CARRYING	
Maximum roof load (including cross bars) (kg)	100 / 168 ◆
DIMENSIONS	
Height (mm)	1,967
Length (mm)	5,018
Width with mirrors folded (mm)	2,008
Width with mirrors out (mm)	2,105
Front wheel track (mm)	1,704.1
Rear wheel track (mm)	1,699.7
Wheelbase (mm)	3,022

HEADROOM	
Maximum front/rear headroom with standard roof (mm)	1,032 / 1,025
Maximum front/rear headroom with pano roof (mm)	1,032 / 1,025

LEGROOM	
Maximum front/rear legroom (mm)	993 / 992 (5 seats) 975 (5+2 seats)

LOADSPACE CAPACITY	
Height (mm)	904
Width (mm)	1,211 (5 seats) / 1,188 (5+2 seats)
Width between arches (mm)	1,160
Length behind first row (mm)	1,763 (5 seats) / 1,789 (5+2 seats)
Maximum loadspace volume behind first row - Wet (litres)	2,380 (5 seats) / 2,233 (5+2 seats)◇
Length behind second row (mm)	919 (5 seats) / 900 (5+2 seats)
Maximum loadspace volume behind second row - Wet (litres)	1,075 (5 seats) / 916 (5+2 seats)◇
Length behind third row (mm)	289
Maximum loadspace volume behind third row - Wet (litres)	231◇

GROUND CLEARANCE	
Standard/Off Road ride height (mm)	218 / 293
Approach Angle - Standard/Off Road*	30.1° / 38.0°
Departure Angle - Standard/Off Road*	37.7° / 40.0°
Ramp Angle - Standard/Off Road*	22.0° / 28.0°

TURNING CIRCLE	
Kerb to kerb (m)	12.84
Wall to wall (m)	13.12
Turns lock to lock	2.70

WADING DEPTH	
Maximum wading depth (mm)	900

Vehicles shown are from the Land Rover Global range. Specifications, options and availability will vary between markets and should be verified with your local Land Rover Retailer. The figures provided are official EU Test Figures. For comparison purposes only. Real world figures may differ

▲ Max speed is 191km/h when fitted with 18" - 20" wheels.

‡Includes a 75kg driver, full fluids and 90% fuel.

‡‡The maximum coupling point (nose weight) only applies to trailers with overrun brakes, without overrun brakes the maximum coupling point (nose weight) = 150kg. Furthermore, the coupling point (nose weight) must not exceed 10% of the gross caravan or trailer weight. For further information, please contact your preferred Land Rover Retailer.

◆Dynamic roof load allows for up to 118kg/168kg (90/110) when fitted with All Terrain Tyres. Static roof load allows for up to 300kg.

◇Wet: Volume as measured by simulating the loadspace filled with liquid.

*Towing equipment covers removed.

Weights reflect vehicles to standard specifications. Optional extras increase weight.

Optional features and their availability may differ by vehicle specification (model and powertrain), or require the installation of other features in order to be fitted. Please contact your local Retailer for more details, or configure your vehicle online.

***Important note on imagery & specification.** We are living through exceptional times. Due to the Covid pandemic we have been prevented or delayed in the creation of new images of current model years. Now the global impact of micro-chip shortages is further affecting build specifications, options and launch timings. Until this unique event settles, please note that **many images cannot be updated to the latest model year specifications**. Features, options, trim and colour schemes will differ from many images. Customers are urged to consult your local Retailer for details on the latest model year specifications and do not base an order on marketing imagery and specification alone.

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually, and we reserve the right to change without notice. Some features may vary between optional and standard for different model years. The information, specification, engines and colours on this website are based on European specification and may vary from market to market and are subject to change without notice. Some vehicles are shown with optional equipment and retailer-fit accessories that may not be available in all markets. Please contact your local retailer for local availability and prices.
