SAFETY PACKS

Park Pack

Reverse Traffic Detection
360° Parking Aid

OPTION PACKS

Convenience Pack

Loadspace Partition Net
Rear Seat Remote Release Levers
Activity Key

On/Off Road Pack

Terrain Response 2
All Terrain Progress Control
Configurable Dynamics

EXTERIOR FEATURES

Heated Windscreen

Offers a quick and convenient way to defrost or demist the windscreen. Heated washer jets prevent washer fluid from freezing so you can easily keep your windscreen clean in cold conditions.

TYRES AND SPARE WHEELS

Summer Tyres

All Season Tyres are standard. Summer Tyres, designed for favourable driving conditions, are an option on all wheel sizes except 18". Load index and speed ratings dependent on wheel sizes.

DRIVING AIDS

350mm Front Brakes

The standard 325mm Front Brakes can be upgraded to 350mm. This system is optimised to combine both durability and low weight while delivering fast and responsive braking performance.

Adaptive Cruise Control with Queue Assist and Intelligent Emergency Braking

Stay relaxed, whether you're cruising on the motorway or travelling in slow-moving traffic, knowing that this system will keep your vehicle a set distance from the one in front. If the vehicle in front slows, your vehicle reduces speed to maintain a set distance and resumes its pre-set speed as soon as the road in front is clear.

Should the vehicle in front stop completely, your vehicle will come to a smooth halt. Once the traffic moves, simply touch the accelerator and Adaptive Cruise Control will resume following the car in front.

If a collision is unavoidable, Adaptive Cruise Control will engage Intelligent Emergency Braking. This system can help reduce injuries and damage by automatically applying the brakes.

All Terrain Progress Control

All Terrain Progress Control (ATPC) ATPC is a low speed, cruise control feature for all road conditions operating between 2 km/h and 30 km/h. It is an autonomous system requiring no pedal inputs from the driver and is effective on all types of slippery surface including wet grass, snow, ice and dirt roads.

Configurable Dynamics

The Configurable Dynamics system lets you select specific chassis and powertrain settings to suit your preferred driving style, with gearbox mapping, steering and suspension configurations. The Dynamic-i feature is also available, featuring a G-meter, stopwatch and pedal response indicator.

Surround Camera System

Using four digital cameras discretely placed around the vehicle, this system provides a 360° overhead view on the Touchscreen. Along with the capacity to display several different views at the same time.

The Tow Assist feature helps with reversing by predicting the trailer's direction. You can even choose your trailer's width for precise guidelines displayed on the Touchscreen.

Terrain Response 2

Terrain Response 2 enhances the Terrain Response system even further by monitoring driving conditions and automatically selecting the driving modes to achieve the best possible chassis and powertrain set up for the conditions.

INTERIOR FEATURES

Carpet Mats

510gsm Tufted Ebony floor mats with stitched Range Rover Velar badge further enhance the vehicle's interior. They feature Ebony Suede effect binding and single Ebony stitching.

Chrome IP End Caps

-

Configurable Ambient Interior Lighting	New levels of ambient refinement and personalisation have been reached with Configurable Ambient Interior Lighting. This feature allows you to vary the colour and shade, changing the ambience of the cabin to suit your mood. There are ten colours in total, ranging from Ice White through to Moonlight and Racing Red.
Electrically Adjustable Steering Column	For added convenience, this feature allows electrical adjustment of the steering column's reach and rake. Adjustment memory is linked to seat positioning if memory seats are taken.
Four-zone Climate Control	Automatic Four-zone Climate Control which can be optimised for each individual occupant. Includes additional vents in the B-pillar.
Illuminated Metal Front and Metal Rear treadplates	Illuminated aluminium treadplates are available on driver and front passenger sides for an increased sense of individuality and distinction, featuring Range Rover script.
Illuminated Metal Loadspace Scuff Plate	Elegantly styled rear loadspace scuff plate illuminated by soft white lighting when the door is opened. The scuff plate protects the loadspace edge from scratches when loading and unloading.
Loadspace Partition Net	Separate the loadspace area from the rear seats with this safety partition net. Also available as a retailer fit accessory.
Lockable Cooled Glovebox	Cooled glovebox gives the option to vent the cooled air from the air conditioning system entering to cabin into the glovebox.
Rear Seat Remote Release Levers	Remote release of the rear seats via levers in the loadspace area makes folding the rear seats for additional loading capacity even easier.
Timed Climate with Remote	Practical and comfortable, this feature can pre-heat or ventilate the vehicle via remote control and has an integrated 7-day timer. Whether it's for daily use or a single event up to 16 days ahead, the ideal cabin temperature can be achieved in advance.
Bright Metal Pedals	Made from stainless steel and rubber, Bright Sport pedals give a contemporary, sporting appearance.

CONVENIENCE AND INFOTAINMENT

Interactive Driver Display	The upgraded 12,3" high-definition Interactive Driver Display* can receive and project a vast amount of driving information, entertainment and active safety data including navigation, phone and media. Its high resolution ensures the utmost clarity and its refined processing engine delivers smooth moving pin sharp graphics. Features can be accessed on either the Interactive Driver Display or the Touch Pro Duo Touchscreens.
----------------------------	---

Activity Key	Makes living life to the full even easier. For extra convenience, you can wear the Activity Key if you prefer not to carry a key fob. The wristband is robust and fully waterproof. It allows you to enjoy a range of activities – from skydiving to swimming – and keep your vehicle key with you. You can use the Activity Key while keys remain in the vehicle as the conventional key fob is deactivated for security.
Digital Audio Broadcast (DAB) Radio	The DAB radio system offers improved sound quality, a wide choice of stations and live text information about the station, show and song you are listening to.
Garage Door Opener (HomeLink®)	<p>The HomeLink® System is a universal transmitter fitted to the underside of the interior rear view mirror. This transmitter can be programmed to operate up to 3 home or office wireless controlled systems, such as garage doors, automatic gates, or security lighting. By replacing the individual remote control units normally required for each system, the driver no longer needs to search the car interior for the correct handset when needed.</p> <p>HomeLink® is a registered trademark of Johnson Controls, Inc.</p>
Power Socket Pack 3	Additional 1x 12v power socket in 1st row
Secure Tracker	<p>Secure Tracker uses tracking technology to alert you to an attempted theft, and signals your vehicle's location to the relevant authorities, for a timely recovery.</p> <p>As we roll out InControl, specific features described may be optional and market or powertrain dependent. Please consult your local Land Rover retailer for availability and full terms in your country. Certain features require an appropriate SIM with a suitable data contract, which will require a further subscription after the initial term advised by your retailer. Mobile connectivity cannot be guaranteed in all locations.</p>

TOWING

Detachable Tow Bar	<p>Convenient and easy to use, the detachable tow bar maintains the vehicle's exterior design capable of towing loads up to 2500kg.</p> <p>*Towing weight may vary per market. Please contact your nearest Land Rover Retailer for more information.</p>
Fixed Rear Recovery Eye	-
Advanced Tow Assist	Advanced Tow Assist automatically steers the vehicle to control the position of a trailer when reversing into the desired position as set by the driver using the InControl Touch Pro Duo controls. The Touchscreen will display both the current and desired trailer trajectory.

ACCESSORIES

LOADSPACE ACCESSORIES

Loadspace Side Net

Keep smaller items safely stowed away – but easy to find - with a loadspace side net.

Not compatible with loadspace luxury carpet mat, loadspace rubber mat, loadspace liner tray or vehicles fitted with full size spare wheel.

Part number: VPLYS0418

INTERIOR ACCESSORIES

Wireless Phone Charging Cupholder

The wireless phone charging cupholder has been designed to allow visibility of the phone whilst charging, utilising the cup holder space in the centre console. The holder will accommodate varying phone sizes securely in place. The charger displays an LED light to indicate when charging, and turns off when complete. Fits phones up to 73mm wide such as iPhone 7 with Qi enabled case.

For use with Qi enabled wireless charging devices only. The wireless phone charging cupholder does not provide a connection to In-Control Apps.

Part number: VPLYV0124, VPLYV0125

iPhone® Connect and Charge Dock

The iPhone connect and charge dock has been designed to allow visibility of the phone whilst charging, utilising the cup holder space in the central console. When connected the iPhone media is accessible and has the ability to be controlled via the integrated infotainment / audio system. The 'cut-out' design of the holder is such that home button is also accessible for use when parked. The iPhone USB charger can be easily disconnected if the USB connection is required for other use.

For use with iPhone 5, 5c, 5s, 6, 6s, SE and 7. Not suitable for use with 6 Plus or 7 Plus.

Part number: VPLRV0119

iPhone® is a registered trademark of Apple Inc., registered in the US and other countries.

Aluminium Gearshift Paddles

Complete the look and feel of your steering wheel with premium aluminium paddles. Gearshift paddles are machine polished, anodised and hand brushed to provide exceptional wear resistance with a premium finish.

Part number: VPLVS0187MMU

EXTERIOR ACCESSORIES

Carbon Fibre Mirror Covers

Stunning high grade Carbon Fibre mirror covers, with a High Gloss finish, provide a performance-inspired premium styling update.

Supplied as a vehicle set.

Part number: VPLYB0355

Gloss Black Side Vents

Gloss Black side vents provide a subtle exterior design enhancement.

Supplied as a vehicle set.

Part number:
RH Fender Accent: LR092660
LH Fender Accent: LR092661
RH Door Accent: LR092671
LH Door Accent: LR092672

Carbon Fibre Rear Spoiler

Sleek and dynamic, the high-grade Carbon Fibre rear spoiler provides a performance-inspired styling enhancement to the Range Rover Velar's exterior design cues.

Part number: VPLYB0354

SAFETY ACCESSORIES

Warning Triangle

Vital in emergencies. Stows in the loadspace compartment.

Part number: VPLVC0060

Legislative requirement to carry in vehicle in certain countries.

First Aid Kit

Aids in the treatment of minor cuts and grazes.

Part number: VPLCS0319

Legislative requirement to carry in vehicle in certain countries.

Fire Extinguisher

Dry powder fire extinguisher (1kg), supplied with mounting bracket.

Part number: VPLCS0348

Legislative requirement to carry in vehicle in certain countries.

Vehicles shown are from the Land Rover Global range. Specifications, options and availability will vary between markets and should be verified with your local Land Rover Retailer. The figures provided are official EU Test Figures. For comparison purposes only. Real world figures may differ.

†Dry: Volume as measured with VDA-compliant solid blocks (200mm x 50mm x 100mm).

††Wet: Volume as measured by simulating the loadspace filled with liquid.

‡The figures provided are NEDC2 calculated from official manufacturer's WLTP tests in accordance with EU legislation. For comparison purposes only. Real world figures may differ. CO₂ and fuel economy figures may vary according to wheel fitment and optional extras fitted. NEDC2 are figures calculated using a Government formula from WLTP figures equivalent to what they would have been under the old NEDC test. The correct tax treatment can then be applied.

‡‡WLTP is the new official EU test used to calculate standardised fuel consumption and CO₂ figures for passenger cars. It measures fuel, energy consumption, range and emissions. This is designed to provide figures closer to real-world driving behaviour. It tests vehicles with optional equipment and with a more demanding test procedure and driving profile. The figures shown refer to the most economical/lightest set of options.

Weights reflect vehicles to standard specifications. Optional extras increase weight.

Important note on imagery & specification. We are living through exceptional times. Due to the Covid pandemic we have been prevented or delayed in the creation of new images of current model years. Now the global impact of micro-chip shortages is further affecting build specifications, options and launch timings. Until this unique event settles, please note that **any images cannot be updated to 22/23/24 model year specifications**. Features, options, trim and colour schemes will differ from many images. Customers are urged to consult your local Retailer for detailed 22/23/24 model year specifications and do not base an order on marketing imagery and specification alone.

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually, and we reserve the right to change without notice. Some features may vary between optional and standard for different model years. The information, specification, engines and colours on this website are based on European specification and may vary from market to market and are subject to change without notice. Some vehicles are shown with optional equipment and retailer-fit accessories that may not be available in all markets. Please contact your local retailer for local availability and prices.
